

# 11th Annual Wakulla LIFEWALK Walkathon

Wakulla Station St Marks Historic Railroad State Trail Park

Saturday, April 8, 2017

Registration begins at: 8:30 a.m.

Walk start time: 9:00 a.m.

## PRE-REGISTRATION FORM

**What is LIFEWALK?** Your steps will save lives!!! The Wakulla Pregnancy Center is a non-profit organization dedicated to providing women, families and you with supportive programs for unplanned pregnancies, abortion alternatives, and abstinence education. Proceeds from the Walk will benefit hundreds of families in our community. Our free and confidential services will include: pregnancy tests & peer counseling, prayer & support groups, prenatal and parenting classes, abortion recovery groups, and maternity and baby clothes & furniture.

**How far is the Walk?** The Walk is a short 2 mile fun walk. This is the most important 2 miles you will ever walk.

**Rainy day or inclement weather?** We still walk, so just bring your umbrella.

**How do I get sponsors and collect the money?** Simply ask everyone you know... family, friends, neighbors, co-workers, at your church, etc. "Will you sponsor me as I Walk for Life?" – 9 out of 10 will say "YES!" All pledges are "flat amounts", not per mile and are tax deductible. No need to collect the money, simply turn in your Pledge Form and the Pregnancy Center will collect it for you. If you choose to collect your pledges, please bring the funds with you on the day of the Walk.

Complete pre-registration form, detach & mail today!  
**I will join countless others in the LIFEWALK Walk for Life!**

We are asking that all walkers pre-register in order to help plan effectively!
